**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Broadband is critical to my home and business. I choose a competitive local provider, not one of the big national providers who often push self-serving anti-net neutrality agendas.

Competition is good. I get better service from my smaller ISP than from the bigger ISP.

It is important that you STOP Big Telephone companies like AT&T from raising prices and cutting off competition.

I need to get my Internet and phone services from a local provider whom I trust. I do not want to be forced to use a large carrier with who provides worse service at more expensive prices.
